

Lifepath 2022 has been and gone, but what a week we had!

We are so grateful to so many of you for your ongoing interest, support and prayer that we thought we'd send you one last Prayer Update for this year. We saw God's hand on the event in so many ways, that it is only right that we spend time in thanks and praise. Therefore, please do join us as we look back and celebrate.

At the recent volunteers 'Thank You' evening, those present had a go at writing a psalm.

Here is what we created.

We hope you will be able to use this to join in the thanks and praise to our awesome God

Emmanuel, the God who is with us. Despite a three-year gap, you have remained faithful, and provided everyone and everything for this amazing event to continue. You are the One who amazed the children.

Thank you, Lord that it is your event, not ours, and it is you who will protect and provide to bring praise and glory to yourself, in the name of your Son, Emmanuel.

O God, we praise you in the silence and in the noise, your presence loud in the silence and the quiet places, your loving presence within us all the time as we sing your praise with the next generation.

Emmanuel, God of forever, so very present at Lifepath, you stepped into the world, our lives, our moments and into the hearts of the children. We thank you for being there, for being here, for being before us, standing in Brinkburn in the early morning, your hand seen in the whole of creation, in the rushes of the wind, the ringing of the bell, the whisper of the river, and the chatter of the children.

We will listen to you, O Lord, our hearts singing in praise as this space is filled with joy at your direction. May all who come, offer their praise to you.

Everybody look, see and ponder in your heart and mind, and may it lead us to thankfulness!

Amen!
