

### Full Steam Ahead

It is now only a few days to go before Lifepath at Brinkburn Priory. Last year, it was brilliant to see the smiling faces of the children, to hear the laughter and chatter, to see the team working so well together and above all to be part of God's work in Northumberland.

So it is with great excitement that we are getting set to do it all again!! Oh, yes!!

The core team have met regularly and everything is almost ready. There is so much to be thankful for and much to pray about, so please use the information below to guide your prayers. Thank you.

Please could you join us in praying for the following:

#### Praise:

- Please thank God for the core team and for the way that we are working so well together.
- For all of the planning and preparation that has already taken place.
- That we have a fantastic team and almost enough people each day.
- That we have loads of schools already booked in and for the first time ever we have hit the 600 pupils mark.
- That we have been led to a really strong theme ("Trust in God") as we look at the life of St Oswald and how he trusted God.
- For God's provision that means we can move forward with a strong financial footing.
- For a really great Team Briefing evening on 5 June when we got together as a team to prepare and to pray.

#### Prayer:

- Please pray for the final few team members to complete their applications and as we assign roles to them.
- Please pray for wisdom for the team who are writing various aspects of the programme (Opening and closing worship, the drama and other workshops).
- Please pray that God's presence would be very evident throughout the event.
- Please pray for God's hand of protection over Lifepath and for his faithful provision.
- Please pray for Kirstine, Helen, Angela and Lena as they take the assemblies and liaise with schools, churches and volunteers.
- Please pray for a really efficient set up day (Sun 22 June) followed by an inspiring Commissioning service at 5.00pm. (Do join us if you can).
- And finally, please pray for loads of fun, safety for everyone and for dry weather when we need it.

*Thank you so much for your support - it is greatly appreciated*
